Dispels -  
Interrupts -

### TANK

Aim boss away from raid.  
Taunt at high stacks of Tinnitus.

### Healer

Healing increases as more  
amplifiers spawn.

### DPS

Nuke adds before they explode.  
Boss is immune during intermission.

## Phase 1

## ABILITIES

Bait pylon drops in  
good locations.

Do not stand in front of  
boss due to cleave.

Click and channel/drain  
pylon energy before it  
reaches full.

Nuke adds.

Dodge mind control  
sonar waves from  
pylons.

## Phase 2: Intermission
