

The Mother Monster

Phases: 4 **Hero:** N/A

SPECIAL NOTES

Immunities – N/A
 Dispers – Multiple Poison Debuffs
 Interrupts – Anguished Cry, Vicious
 Echoes

ABILITIES

The final boss was not available for testing on PTR, so more information will come once strategy has been determined for the boss.

Additional powerful adds spawn. Fight mechanics that debuff players often add an additional layer when they expire, for example, shooting out acid waves.
